WEBSITE LAUNCH

www.disc-northants.org

Take a look at our new website! It has up-to-date information on our programme and the latest things we've got going on. We are also looking to have on there a comments page from members & their families about their experiences of D.I.S.C. So, when you go online, send us back your comments using the email link. Thank you!

2ND BIRTHDAY PARTY

We have pleasure in enclosing an invitation to our 2nd Birthday Party at Tenpin. Again, due to a kind donation from Silson Joggers we are able to offer each member & one carer/family member free bowling and food. Other friends/family members are more than welcome to come at a specially reduced rate. Please send your replies back a.s.a.p. to reserve your places.

WE WANT YOUR FEEDBACK.....

How do you think the swimming programme is going so far? Would you like to see anything different happening? Or, do we need to improve/expand on something we are already doing?

The expansion ideas that we are planning to put in place as of September are to have an additional coach so that we are able to offer more one-to-one tuition and to have an awards programme so that members successes can be recognised. We have seen great improvement in many people already, and we are hoping to expand on this. Your feedback is essential for us to be able to deliver a programme that is what you want!
